Registration Manual for Standard Curriculum Training for Teachers' Knowledge

The registration system for training on the standard curriculum of professional knowledge for teachers

1. Scan the QR Code to access the Secretariat Office of the Teachers Council of Thailand.

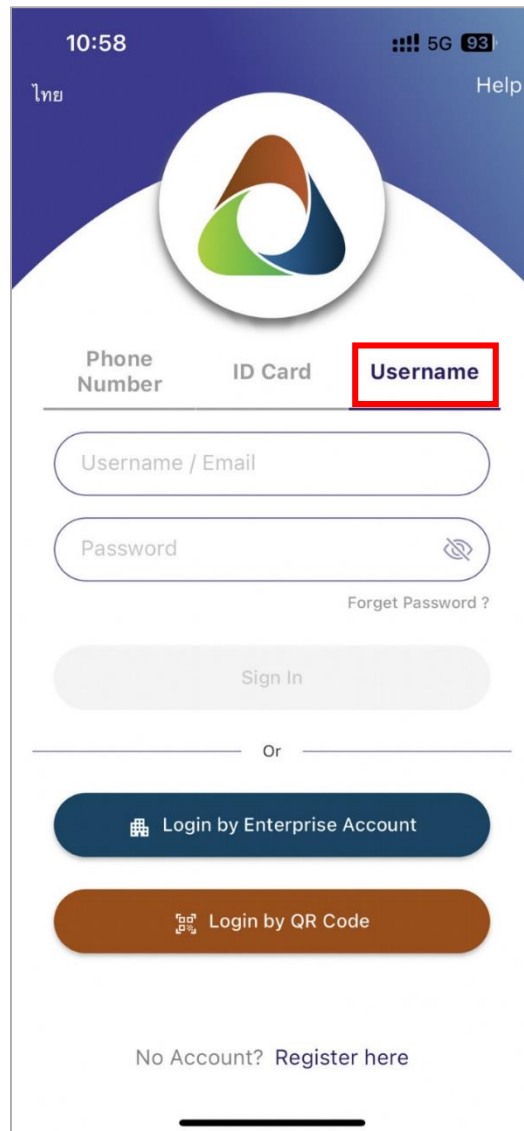

2. After scanning the QR Code successfully, you will encounter the OnePlatform application download page (available for iOS and Android)

3. Login by

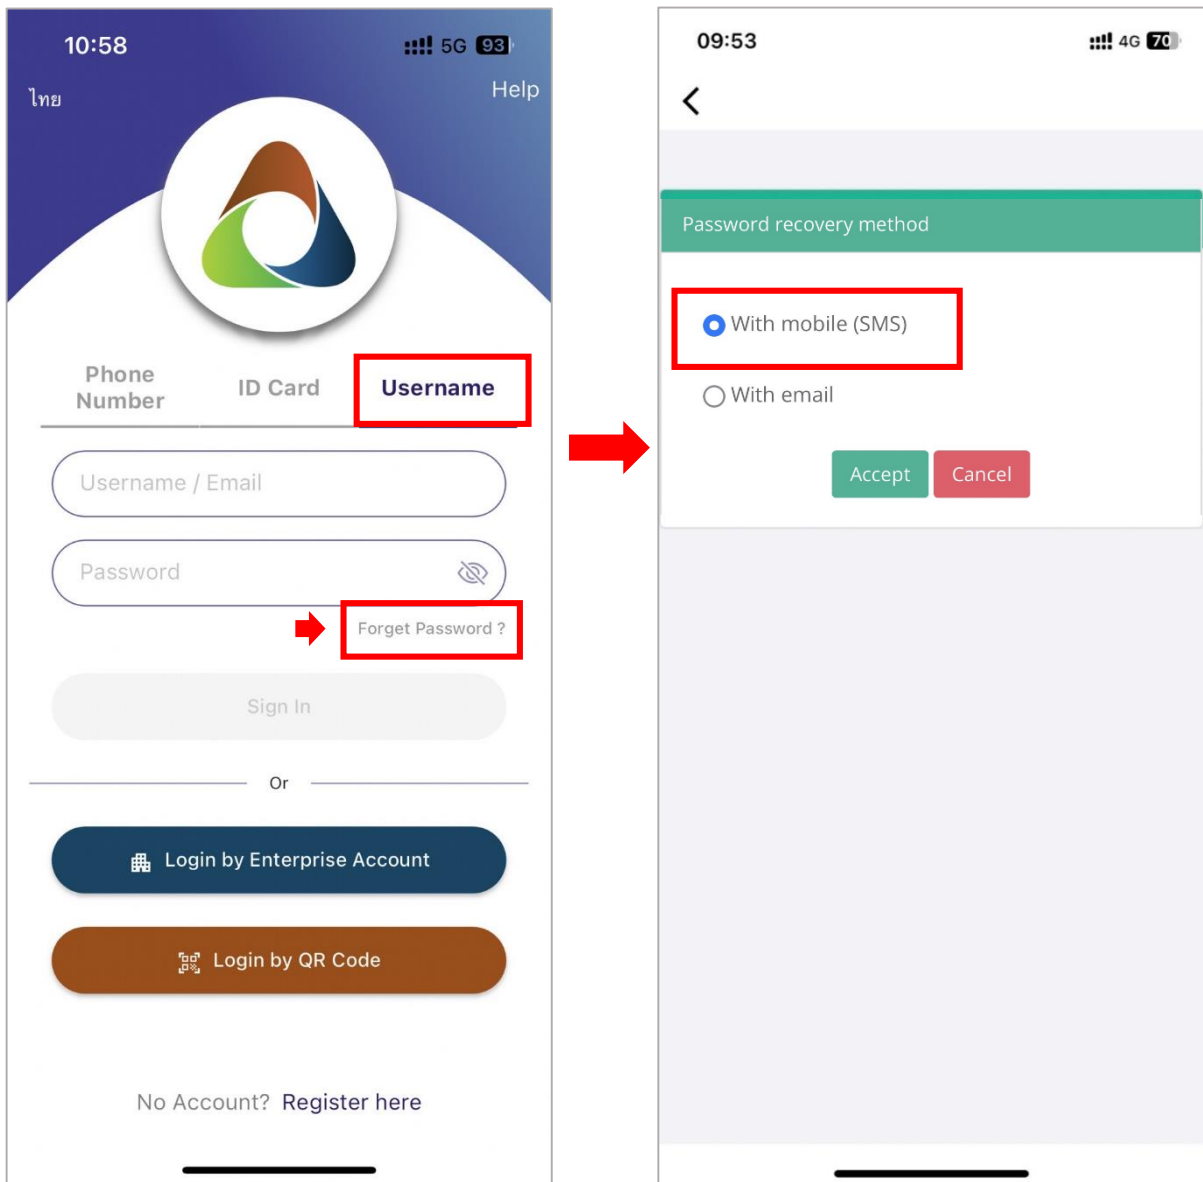

Username = national ID card number

Password = same as the part the applicant enters when registering.

The image shows a mobile application login screen. At the top, the status bar displays the time 10:58, 5G signal strength, and 93% battery. The app header includes the Thai word 'ไทย' (Thailand) on the left and 'Help' on the right. A circular logo with a stylized 'A' shape in green, blue, and brown is centered below the header. Below the logo, there are three selection options: 'Phone Number', 'ID Card', and 'Username'. The 'Username' option is highlighted with a red rectangular border. Underneath these options is a text input field labeled 'Username / Email'. Below that is a password input field labeled 'Password' with an eye icon for toggling visibility. A link for 'Forget Password?' is located to the right of the password field. A 'Sign In' button is positioned below the password field. A horizontal line with the word 'Or' in the center separates the main login options from two alternative login methods: 'Login by Enterprise Account' (with a QR code icon) and 'Login by QR Code' (with a QR code icon). At the bottom of the screen, there is a link that says 'No Account? Register here'.

4. In case the password is not available, press 'Forgot the password' and select to receive a new password by SMS, and then fill in the national ID card and phone number.

The system will send OTP to the phone number and you can reset the new password.
